THIS POLICY PROVIDES LIMITED BENEFITS.

EXCLUSIONS

We will not pay benefits for losses which are caused by: alcoholism or drug addiction, dental procedures, elective procedures and cosmetic surgery, felonies or illegal occupations, pregnancy of a dependent child, psychiatric or psychological conditions, suicide or injuries which any covered person intentionally does to himself or herself, war, or giving birth within the first nine months after the effective date of the policy. We will not pay benefits for hospital confinement of a newborn who is neither injured nor sick. We will not pay benefits for loss during the first 12 months after the effective date due to a pre-existing condition.

Pre-existing condition means any covered person having a sickness or physical condition that during the 12 months immediately preceding the effective date of this policy had manifested itself in such a manner as would cause an ordinarily prudent person to seek medical advice, diagnosis, care, or treatment or for which medical advice, diagnosis, care, or treatment was recommended or received.

Routine follow-up care during the 12 months immediately preceding the effective date of this policy to determine whether a breast cancer has recurred in a covered person who has been previously determined to be free of breast cancer does not constitute medical advice, diagnosis, care, or treatment for purposes of determining pre-existing conditions, unless evidence of breast cancer is found during or as a result of the follow-up care.

For cost and complete details, see your Colonial Life benefits counselor. Applicable to policy number IMB7000-FL. This is not an insurance contract and only the actual policy provisions will control.
